CIRCULAR

It has been noticed that many Foreign Employers (FEs) who recruit Indian workers, have been conducting their business from the Free Trade Zones (FTZ) of various ECR countries. In such Zones the visas are issued by the Free Trade Zone authority and not in the name of Foreign Employer who is located with the Free Trade Zone. Hence, such FEs are facing problem in recruiting Indian workers through eMigrate system which require name of FE in the visa, while processing Emigration Clearance (EC) in such cases.

2. Therefore, all the Recruiting Agents (RAs) are advised to furnish the names of FEs who they are dealing with frequently and are located in such Zones, to facilitate grant of ECs to those candidates recruited by such FEs who are recruiting in such Free Trade Zones in the ECR countries. The FEs should in any case be registered in the eMigrate system.

3. The RAs applying for EC in respect of emigrants being recruited by FEs in the FTZ, should also give an undertaking that they are registered with FTZ and will deploy the emigrants in FTZ only (to be uploaded) alongwith a copy of the registration certificate with FTZ.

4. PoEs will verify both documents before granting EC in such cases.

This issues with the approval of the Protector General of Emigrants (PGE).
