Government of India is keen to bridge the global shortage of labor force in the coming years by reaping the demographic dividend of young Indian labor force. To meet this objective, Ministry of Skill Development & Entrepreneurship under the "Skill India" Mission is setting up India International Skill Centre (IISC) to provide skill trainings and certification benchmarked to International Standards.

Ministry of Skill Development & Entrepreneurship and Ministry of External Affairs signed a Memorandum of Understanding (MoU) on 2<sup>nd</sup> July 2016 to implement Pravasi Kaushal Vikas Yojana (PKVY), a scheme designed to offer skill development to Indians seeking jobs overseas. The model of IISCs is given at Annexure A. As can be seen, more than 20,000 trainees would be available for overseas placement.

IISC is reaching out to Recruiting Agencies to partner with IISCs for the following:

- a) Explore how you can train and place workers overseas. Since you are already doing placements, it will be easy for you to integrate training into your system. There is a system of providing financial incentives for this training, which we are happy to discuss with you.
- b) You can look at partnering with IISCs to pick up trained workers to fulfill your overseas requirement. If you are interested, we will connect you to Training Centres where Batches on various Job Roles are being conducted. You can provide guidance on the requirements of your clients and we can tailor the training to your need.
- c) You can also let us know your demands for trained manpower and we can start Batches, which can be customized to your demands.
- d) There are no costs to you, for Ser b) and c) above.

In order to commence our partnership with you, we request you to fill up Annexure 2 and send it to us at the earliest, and we will contact you.
