In supersession of this Ministry’s Office Memorandum of even number dated 18.03.2019 on the above subject, It is hereby conveyed to all concerned that the facility of online registration of emigrants for Pre Departure Orientation programme (PDO) will be enabled through the link hosted at POE Mumbai with effect from 27th May 2019 (Monday) and RA will now enroll the emigrants in the link and the enrollment will not be available from the login of RA in eMigrate. The registrations made in the eMigrate by RAs till 27th May 2019 will be made available to NSDC and Rajasthan Skill and Livelihood Development Corporation so that the PDO training centers will provide the pre departure orientation training to the registered emigrants alongwith registrations made in POE Mumbai link.

3. The link hosted at PoE Mumbai is accessible from eMigrate.
